No. 4—There is a vast difference in taste when it comes to preferences in gladiolus. Some like mostly pastels and white, some the medium pinks and lighter reds, many complain that there are too many yellows and orange shades in the average mixture offered. For the benefit of those who like the dark colors and smokies we have made up a special mixture with some each of light colors and white, but with plenty of the deep and black reds, purples and smokies. Price—\$6.00 per 100 large size.
